

# VALID-8

By Vametric

## The Proven Engine for Equitable Skills Hiring

### Equitable Skills Validation To Drive Workforce Development

Labour shortages, policy enhancements, and a greater commitment to equity and inclusion have made it abundantly clear that our traditional systemic approaches to skills development need more than minor tweaks. Embed inclusion and validation throughout with VALID-8.

#### A Rigorous and More Inclusive Approach

Move beyond discriminatory exams, and reward historically underrepresented groups for their skills and abilities. Prioritize industry-relevant skills and competency development. Make skills-based hiring easy for your industry partners.

#### Next Gen Solutions for Next Gen Talent

Prior Learning and Prior Experience can be assessed and validated without forcing candidates through months of classes and exams. Gather legally-defensible evidence of skills to ensure safety, compliance, and uninterrupted industry growth.

#### Transform Industry Pathway Programs

Remove all doubt on the effectiveness of workforce skilling initiatives through ISO-compliant validated skills development. Enable blended assessment, collect and contextualize real evidence of skills, and keep industry glued to your programs.

### The VALID-8 Difference

Join the millions of users leveraging the tried and trusted VALID-8 experience around the world

30 years of global experience building the world's most renowned skills development competency frameworks in the UK, Europe, Australia, and more.

Secured Data Handling, a robust cloud-based application, and world-class security policy makes VALID-8 by Vametric safe and user-friendly.

Multilingual, digital, and competency based, making it the most flexible and valuable skills development platform in the world, focused on eliminating barriers and empowering successful outcomes for learners.

With over 4 million learners skilled across nearly 1,000 vocational competency frameworks, VALID-8 by Vametric is the world's foremost skills development platform.
