## Proven Skills-Based Resettlement

### Maximize Newcomer Impact: Skills Assessment and Resumes

Canada is a country ripe with opportunities for new immigrants, and a destination for hundreds of thousands of global citizens every year. Canada's freedoms and quality of life are second to none. Increase the impact of resettlement by:

#### Developing Skills That Matter

Identify and assess newcomers' skills, before or upon arrival. Quickly train gaps in knowledge and avoid years of economic uncertainty.

#### Eliminating Archaic Barriers In Resettlement

Enable newcomers to quickly earn credible and meaningful credentials by mapping their skills and learning plans to real economic opportunities.

#### Reducing Time To Meaningful Employment

Quickly empower new Canadians with digital resumes and e-portfolios that result in skilled, well-paying jobs, quickly turning newcomers into economic contributors and taxpayers.

### The VALID-8 Difference

Join the millions of users leveraging the tried and trusted VALID-8 experience around the world

30 years of global experience building the world's most renowned skills development competency frameworks in the UK, Europe, Australia, and more.

Secured Data Handling, a robust cloud-based application, and world-class security policy makes VALID-8 by Vametric safe and user-friendly.

Multilingual, digital, and competency based, making it the most flexible and valuable skills development platform in the world, focused on eliminating barriers and empowering successful outcomes for learners.

With over 4 million learners skilled across nearly 1,000 vocational competency frameworks, VALID-8 by Vametric is the world's foremost skills development platform.
