

VALID-8

By Vametric

Reduce Risk Exposure Through Validated Skills

Minimizing Claim Payout Risk Evidence-Based Skills Assessment

In nearly every workplace-related insurance claim, the skill level of the workers involved comes into play. Reduce your risk exposure by incentivizing your customers to maintain up-to-date skills portfolios of their workforce, and virtually eliminate your risk exposure.

The Dashcam, But For Everything

Video evidence of hard and soft skills, categorized against competency matrixes. Eliminate your courtroom and legal exposure with video evidence of abilities.

Disability Claims And Return To Work

Capture and maintain records of workers' abilities against return-to-work standards and criteria, and reduce the risks around Return To Work.

Think Outside The Tick In The Box

Go beyond surveys and checkmarks. Use modern solutions for modern problems, and leverage automation and video evidence.

The VALID-8 Difference

Join the millions of users leveraging the tried and trusted VALID-8 experience around the world

30 years of global experience building the world's most renowned skills development competency frameworks in the UK, Europe, Australia, and more.

Secured Data Handling, a robust cloud-based application, and world-class security policy makes VALID-8 by Vametric safe and user-friendly.

Multilingual, digital, and competency based, making it the most flexible and valuable skills development platform in the world, focused on eliminating barriers and empowering successful outcomes for learners.

With over 4 million learners skilled across nearly 1,000 vocational competency frameworks, VALID-8 by Vametric is the world's foremost skills development platform.
