

VALID-8

By Vametric

Transforming Care in Canada

Grow and Unleash Your Workforce Evidence-Based Skills Assessment

Support new staffing models and create new incentives for a career in the care sector with a modern, 21st century approach to skills development and career growth. Attract the right people for the right jobs, and de-risk your care-based workforce.

Developing Skills That Matter

Leverage audited and credible detailed competency frameworks to make sure care workers have the precise and exact hard and soft skills needed.

Eliminating Archaic Barriers In Skilling

Enable newcomers and other underrepresented groups to earn credible and meaningful credentials through evidence based skills assessments.

Reducing Time To Meaningful Employment

Attract more of the right workers to the care sector, ensure greater personality fit, skills development, and build a robust, efficient, and dependable care sector for our sick and our elderly.

The VALID-8 Difference

Join the millions of users leveraging the tried and trusted VALID-8 experience around the world

30 years of global experience building the world's most renowned skills development competency frameworks in the UK, Europe, Australia, and more.

Secured Data Handling, a robust cloud-based application, and world-class security policy makes VALID-8 by Vametric safe and user-friendly.

Multilingual, digital, and competency based, making it the most flexible and valuable skills development platform in the world, focused on eliminating barriers and empowering successful outcomes for learners.

With over 4 million learners skilled across nearly 1,000 vocational competency frameworks, VALID-8 by Vametric is the world's foremost skills development platform.
